LEARNING SOLUTIONS ARE BUILT ON LEGRAND | AV

Legrand | AV provides most of the AV products required to complete your AV project—all under one roof.

Legrand | AV's broad portfolio of brands provides infrastructure solutions including rack enclosures, power, technical furniture, carts, cables, connections and mounts. Legrand | AV also offers PTZ cameras, microphones, speakers, projection screens and more.

You benefit from this single source for ease of ordering, plus reliable service and support. In addition, a solutions engineering team is at your disposal; they can help you put together the perfect AV solution for your educational needs.

Count on Legrand | AV for all your educational AV solutions.

WHY WE LOVE IT

- A repeatable setup to utilize in multiple locations
- Maximize the use of small spaces
- Use this same system to convert small offices and meeting spaces
- Hybrid **learning solution**
- For distance learning, lecture capture, streaming and videoconferencing

KICK IT UP A NOTCH

IN-CEILING STORAGE

WHY: Hide small equipment behind displays for a sneaky way to maximize space.

UPGRADE THAT SCREEN

WHY: Screen technology has come a long way including new ways to combat natural light.

This solution can help support: social distancing, hybrid classrooms, summer & after school programs & extended day/year learning.
